Project Name: C.C.T.C. – 10 YEAR
COMPREHENSIVE FACILITIES
& MAINTENANCE MASTER
PLAN

Project Number: H59-N491-MJ

Location: Sumter, SC

Applicable SCBO Notes: 1, 4, & 5

Location at Which Public Notice of

Meetings Will Be Posted: Central Carolina
Technical College, Building 300-A
Lobby, 492 North Guignard Dr.,
Sumter, SC 29150

Description of Project: Central Carolina
Technical College requests proposals for development of a 10-year comprehensive facilities & maintenance master plan to include planning for all College locations – Clarendon, Kershaw, Lee & Sumter counties. The firm selected will work closely with College staff to review & evaluate academic program space needs, buildings, infrastructure, parking & landscaping. The completed facilities & maintenance master plan will suggest locations for new facilities, redesign & renovation of existing facilities, along with a proposed timeline & estimated renovation, maintenance & construction costs. Additionally, the plan will include major repairs & maintenance needed each year in order to reduce or limit deferred maintenance & ensure College facilities are maintained at appropriate levels.

The A/E will be subject to a performance appraisal as defined in the Manual for Planning & Execution of State Permanent Improvements, Part II

Description of All Professional Services

Anticipated for Project: Architectural, engineering, planning, landscape architecture & cost estimating services will be required

Information to Be Submitted In

Addition to the Current Standard Federal Forms 254 & 255:

Firms should submit a list of campus master plans completed for colleges / universities during the past 10 years. Proposals should be submitted in standard printed format & electronic (pdf) format on CD. The pdf file is to be identical to the printed submission & is to be a single file. Please submit any questions via E-mail. The Federal government is now using SF330 instead of SF254 & SF255. However, South Carolina law still requires the use of SF254 & SF255, so these forms must be submitted. A PDF copy of these forms is available on the OSE web site, <http://www.mmo.sc.gov/MMO/ose/MMO-ose-index.phtml>

STRUCTURE FOUNDATION TESTING SERVICES FOR S.C.D.O.T. PROJECTS

The South Carolina Department of Transportation (SCDOT) requests a letter of interest & a current resume of qualifications from all interested consulting firms experienced in geotechnical engineering to provide

"On Call" Structure Foundation Testing Services for various projects in SC. The SCDOT, at its discretion, may select more than one firm to perform this work.

The selected firms may be required to provide professional engineering services including conducting pile driving analysis (PDA) testing, foundation integrity testing, cross-hole sonic logging (CSL) testing, & load test monitoring.

In consultant selection, the SCDOT will consider & conduct a comparative ranking of the firms submitting based upon the following: experience, qualifications, & technical competence of the staff proposed for the type of work required (25%); past performance of the proposing firm & sub-consultants proposed on similar type projects and/or ability to perform all aspects of services (20%); past performance in utilizing DBEs (5%); familiarity of proposed staff with SCDOT practices & procedures (15%); availability of key staff & the ability to mobilize quickly & meet project schedules (25%); DBE utilization plan (5%); & current volume of work with SCDOT (5%). Each proposal is required to indicate the amount of work expected to be paid, on a percentage basis, to each firm identified as providing a service in the proposal.

Consulting firms interested in being considered for these projects should respond with ten (10) hard copies & one (1) copy on CD of the following: letter of interest, current resume of qualifications, a direct response to each of the selection criteria identified above, Forms SF 254 & SF 255 (both forms are to be provided for the primary firm & any sub-consultants), & any other pertinent information. The preceding, with the exception of Forms SF 254 & SF 255, shall be limited to 20 double-spaced pages printed on one side only. The SCDOT selection will be based on information submitted; however, additional information and/or an interview may be required.

All responders must visibly mark as "Confidential" each part of their submission that they consider to contain proprietary information the release of which would constitute an unreasonable invasion of privacy. All

unmarked pages will be subject to release in accordance with law. Proposer should be prepared, upon request, to provide justification of why such materials should not be disclosed under the SC Freedom of Information Act, S.C. Code Section 30-4-10, et seq.

Consultants shall comply with Title VI of the Civil Rights Act of 1964. The SCDOT strongly encourages the use of & involvement of Disadvantaged Business Enterprises (DBE) on this project.

The SCDOT has established a maximum hourly rate for firm's employees of \$43.00. The contract will be on the basis of costs plus a fixed fee with a contract maximum or approved unit cost basis at the discretion of the SCDOT.

All proposals should be submitted to Wendy Hollingsworth, Manager of Federal Procurement, Office of Procurement, Rm. 101, at the SC Dept. of Transportation, PO Box 191, Columbia, SC, 29202, or 955 Park St., Rm. 101, Columbia, SC, 29201, no later than 2:00pm, April 16, 2008.

To request copies of a more detailed scope of services & all other inquiries contact SCDOT Assistant Bridge Construction Engineer Douglas McClure, (803) 737-1490, Fax (803) 737-9945 or via email to McClureDE@scdot.org.

WIDENING OF T.V. ROAD & NORTH IRBY STREET FOR S.C.D.O.T.

The South Carolina Department Of Transportation (SCDOT) requests a letter of interest & a current resume of qualifications from all interested consulting firms experienced in providing engineering services necessary for the preparation of plans, studies, & environmental documentation for the widening of S-26 (TV Road) / S-343 (North Irby Street) to a multilane facility. The proposed project consists of: 1) four mile road widening from Wilson Road to East Blanchard Road, 2) Bridge & approaches replacement over Black Creek, & 3) Intersection improvements at S-952 (Wilson Road) & S-26 (McIver Road).

Requested services include, but are not limited to, project management, traffic studies, environmental studies & documentation, preliminary plans, final right of way & construction plans, public information meetings, construction phase services & other duties deemed necessary. The project as proposed must be completed on an accelerated schedule.

In consultant selection, the SCDOT will consider & conduct a comparative ranking of the firms submitting based upon the following: experience, qualifications, & technical

competence of the staff proposed for the type of work required (25%), past performance of the proposing firm & sub-consultants proposed on similar type projects and/or ability to perform all aspects of services (20%), past performance in utilizing DBEs (5%), familiarity of proposed staff with SCDOT practices & procedures (15%), availability of key staff & the ability to mobilize quickly & meet project schedules (25%), DBE utilization plan (5%), & current volume of work with SCDOT (5%).

Each proposal is required to indicate the amount of work expected to be paid, on a percentage basis, to each firm identified as providing a service in the proposal.

Consulting firms interested in being considered for these projects should respond with ten (10) hard copies & one (1) copy on CD of the following: letter of interest, current resume of qualifications, a direct response to each of the selection criteria identified above, Forms SF 254 & SF 255 (both forms are to be provided for the primary firm & any sub-consultants), & any other pertinent information. The preceding, with the exception of Forms SF 254 & SF 255, shall be limited to 20 double-spaced pages printed on one side only. DEVELOPMENT OF STORMWATER INFRASTRUCTURE DESIGN & STANDARDS MANUAL

RFQ 0708-028-EB

Qualified consulting firms or individuals are invited & encouraged to submit Statements of Interest & Qualifications to the Town (Town) for providing engineering services associated with the development of a Town of Mount Pleasant Stormwater Infrastructure Design & Standards Manual. The manual shall include, but not be limited to, developing standards for performing local soils data collection & evaluation, development of standard details & specifications for stormwater infrastructure that would detail standardized & acceptable installation methods, repair methods, inspection standards, testing standards, & other infrastructure design elements. These standards & specifications will be incorporated into a Town of Mount Pleasant Stormwater Infrastructure Design & Standards Manual for the installation, repair, & maintenance of storm water infrastructure.

The goal of the Town of Mount Pleasant Stormwater Infrastructure Design & Standards Manual is to provide design & construction professionals with a minimum standard for stormwater design, construction, installation, & repair techniques that are acceptable to the Town. This manual will provide a consistent product for all projects within the Town. The end result of implementing this plan will be to ensure that the Town & its residents have a structurally sound stormwater infrastructure system. Standardization will provide for more efficient plan review & inspection processes. By setting a minimum standard, the manual will enable the Town to maximize GASB 34 benefits, reduce funding for premature repairs on defective infrastructure, reduce costs for stocking specialized repair materials & provide safety benefits to its residents.

Evaluation criteria includes, but is not limited to, the professional qualifications of the offeror, previous experience & technical competence of offerors' staff, past performances, the understanding & approach toward the Scope of Work & the demonstrated ability to successfully manage & coordinate a multi-disciplined effort, including commitment to project schedules, budget constraints & the offeror's overall ability to prepare concise, meaningful responses addressing the various aspects of the Invitation.

All interested parties shall have demonstrated ability to develop a Stormwater Infrastructure Design & Standards Manual. All offerors shall have verifiable experience of similar projects as described within the solicitation.

One (1) unbound original & five (5) copies of the Statements of Interest & Qualifications shall be submitted in a sealed envelope or wrapping clearly marked "Request For Qualifications, Consultants With An Emphasis In Engineering For The Development Of A Stormwater Infrastructure Design & Standards Manual" in accordance with the instructions within the solicitation will be accepted until April 24, 2008, by the Purchasing Division for the Town of Mount Pleasant, at which time & place all submittals shall be publicly opened in Conference Room 101, located in the Court-Council Building of the Town of Mount Pleasant's Municipal Complex, 100 Ann Edwards Lane, Mount Pleasant, SC. Only the names of the offerors shall be read aloud & recorded at the opening date & time scheduled. Submittals received after the scheduled opening date & time may be disqualified in accordance with the Town of Mount Pleasant's Ordinance.

This solicitation does not commit the Town to award a contract, to pay any costs incurred in the preparation of a Submittal, or to procure or contract for the articles of goods or services. The Town reserves the right to waive any informalities or irregularities, to accept or reject any or all responses & to award or refrain from awarding a contract to any Offeror, if it is in the best interest of the Town to do so.

All interested parties are encouraged to contact the Purchasing Division of the Town of Mt. Pleasant, (843) 884-8517, to obtain a copy of the solicitation for these services.

The selected qualifier is required to make a good faith effort to aid the county in accomplishing its goals. The attainment of goals established for this solicitation is to be measured as a percentage of the total dollar value of the contract. The goal the Owner has established for this contract is as follows:

- 15% for the Base Offer of the solicitation to be performed by DBE firms
- 20% for the Base Offer of the solicitation to be performed by Local Business

The project requirement will be based on historical availability of references & the Contracting Officer's determination that the above prescribed percentages of the total project work is available to be performed by DBE'S & local business within the project area.

The County reserves the right to accept or reject any & all responses, to waive technicalities & informalities, to negotiate further with the vendor of its choice, & to request additional information, to interview & to make an award deemed to be most advantageous to the County & in its own best interest. All submittals shall become property of the County & are subject to the Freedom of Information Act (FOIA) regulations

SCBO NOTES

The following notes, updated 6/22/06, apply as specified in the individual advertisement to State Agency advertisements appearing in the Architect / Engineering, Construction, & Minor Construction Sections of SCBO. Please verify requirements for non-State agency advertisements by contacting the agency / owner.

Note 1: Resumes from persons or firms interested in providing professional services for the following project shall be received by the Agency Coordinator until the deadline & at the address indicated below. To be considered for selection, persons or firms must be properly licensed, at the time of resume submission, in accordance with the requirements of Chapter 3, Title 40 of the SC Code of Laws, as amended. Resumes shall include a current Federal Standard Form 254 & 255 & shall include the offeror's response to the Selection Criteria listed below.

In accordance with Section 11-35-3215 A business responding to this invitation shall submit a certification with its response stating whether the business is a resident of South Carolina.

The Agency Selection Committee shall evaluate each of the persons or firms interviewed in view of their (a) past performance; (b) the ability of professional personnel; (c) demonstrated ability to meet time & budget requirements; (d) location & knowledge of locality of the project; (e) recent, current & projected work load of the person or firm; (f) creativity & insight related to the project; (g) related experience on similar projects; (h) volume of work awarded by the using agency to the person or firm during the previous five years, with the objective of effectuating an equitable distribution of contracts by the State among qualified firms including Minority Business Enterprises certified by the South Carolina Office of Small & Minority Business Assistance & firms that have not had previous state work; & (i) any other special qualification required pursuant to the solicitation of the using agency, in accordance with the South Carolina Consolidated Procurement Code & Regulations.

In accordance with SC Law Section 11-35-3245, no member of the design team selected for this project will be allowed to perform work as a contractor or subcontractor on this project.

Any actual bidder, offeror, contractor or subcontractor who is aggrieved in connection with the intended award or award of this Contract may protest to the State Engineer in accordance with Section 11-35-4210 of the SC Code of Laws at: CPO, Office of State Engineer, 1201 Main Street, Suite 600, Columbia, SC 29201, EMAIL: protest-ose@mmo.state.sc.us.

Note 2: The Bidding Documents for this Project shall be a part of this Invitation for Construction Bids, the same as if incorporated herein. Bid Security & Performance & Labor & Material Payment Bonds shall be as stated in the Bidding Documents. Failure of the bidder to include proper bid security inside the sealed bid envelope will cause the bid to be non-responsive & not subject to correction. Contractors & Subcontractors shall be licensed at the time of bidding in accordance with the provisions of Chapter 11, Title 40, & applicable regulations of the SC Code of Laws. All questions & correspondence concerning this Invitation shall be addressed to the A/E listed. Any actual bidder, offeror, contractor or subcontractor who is aggrieved in connection with the intended award or award of this Contract may protest to the State Engineer in accordance with Section 11-35-4210 of the SC Code of Laws at: CPO, Office of State Engineer, 1201 Main Street, Suite 600, Columbia, SC 29201, EMAIL: protest-ose@mmo.state.sc.us.

Note 3: The Bidding Documents for this Project shall be a part of this Request for Construction Quotes, the same as if incorporated herein. Bid Security & Performance & Labor & Material Payment Bonds shall be as stated in the Bidding Documents. Contractors & Subcontractors shall be licensed at the time of bidding in accordance with the provisions of Chapter 11, Title 40, & applicable regulations of the SC Code of Laws. All questions & correspondence concerning this Request shall be addressed to the A/E listed.

Note 4: South Carolina Business Opportunities (SCBO) is the official state government publication for State of South Carolina solicitations authorized by the Office of General Services. Any information on State agency solicitations that is obtained from any other source is unofficial & any reliance placed on such information is at the bidder's sole risk & is without recourse under the South Carolina Consolidated Procurement Code. Prospective bidders or offerors are encouraged to contact the Materials Management Office for information on subscriptions to SCBO.

Note 5: SUBMITTING CONFIDENTIAL INFORMATION: For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word

"CONFIDENTIAL" every page, or portion thereof, that Offeror contends contains information that is exempt from public disclosure because it is either (a) a trade secret as defined in Section 30-4-40(a)(1), or (b) privileged & confidential, as that phrase is used in Section 11-35-410. For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the words "TRADE SECRET" every page, or portion thereof, that Offeror contends contains a trade secret as that term is defined by Section 39-8-20 of the Trade Secrets Act. For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word "PROTECTED" every page, or portion thereof, that Offeror contends is protected by Section 11-35-1810. All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text. Do not mark your entire response (bid, proposal, quote, etc.) as confidential, trade secret, or protected! If your response, or any part thereof, is improperly marked as confidential or trade secret or protected, the State may, in its sole discretion, determine it nonresponsive. If only portions of a page are subject to some protection, do not mark the entire page. By submitting a response to this solicitation or request, Offeror (1) agrees to the public disclosure of every page of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, & documents submitted during negotiations), unless the page is conspicuously marked "TRADE SECRET" or "CONFIDENTIAL" or "PROTECTED", (2) agrees that any information not marked, as required by these bidding instructions, as a "Trade Secret" is not a trade secret as defined by the Trade Secrets Act, & (3) agrees that, notwithstanding any claims or markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as the final contract amount, are subject to public disclosure. In determining whether to release documents, the State will detrimentally rely on Offeror's marking of documents, as required by these bidding instructions, as being either "Confidential" or "Trade Secret" or "PROTECTED". By submitting a response, Offeror agrees to defend, indemnify & hold harmless the State of South Carolina, its officers & employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from the State withholding information that Offeror marked as "confidential" or "trade secret" or "PROTECTED".
